

Welcome to Nacogdoches and the Texas Tour 2011

The 38th Texas Tour is hosted by the Houston Regional 50 Group
Of the Early Ford V-8 Club of America.

During this weekend we hope you will enjoy the sites and sounds of Nacogdoches, Texas. (Oldest town in Texas) Take this time to renew acquaintances of past Texas Tours and make some new friendships to enjoy in the years to come.

The Texas Tours were born out of a love for old Fords and we are proud that the Houston Regional 50 Group was one of the “Original” groups to start the tours back in 1974. The first Texas Tour began in Jacksonville, TX.

We hope you will enjoy “our East Texas Country” hospitality for the next few days. There are many activities planned for your enjoyment and we are certain that you will have fun. These are just a few scheduled events so you may want to make decisions early so as not to miss them.

- **Girl's runway review of the “Biggest / Unusual Hat” contest.**
- **Pool side evening together with some good local music as entertainment.**
